Coming Together To Positively Impact Our Community

From the President

Happy May everyone.

I wanted to first congratulate next year's Executive Board and those of you that have agreed to sit on the Governing Board for the 2016-2017 SCSC year. Many of you attended AWAG and hopefully came back from Garmisch with new ideas and new motivation. I hope you find this experience as rewarding as I have!

Crystal Bingo was amazing and I wanted to say thank you to all that made this such a great event. Thank you Katie and Danny Whitehurst for shopping, hauling and storing the crystal all year long. Thank you Brian Rower for being our outstanding Bingo caller. Thanks to all the volunteers that helped set up and clean up for this great event! Our last event this year will be the Garden Party on 17 May hosted by our fabulous Luncheons and Programs ladies!

We had a nice turn out of students preparing to apply for college. They learned how to Succeed the college admission process thanks to Jenni Franklin's fabulous workshop.

Many girls benefitted from the Prom Night 2016 event held at The Patch Thrift Shop where girls found gorgeous dresses for \$20.

A huge congratulations to Katie Whitehurst for receiving the Volunteer of the Year Award from the Garrison Commander, Colonel Dickinson. She volunteered over 1790 hours in 2015 through her work with the SCSC and the USO! Congratulations to this well deserved honor Katie!

The Scholarship Committee has completed the scoring of all the applicants with the help of many volunteers that helped read and score the essays. Thank you to all that helped the committee. They worked for many days crossing the T's and dotting the I's and you may have noticed many tired Scholarship committee members at Crystal Bingo. This year, the Scholarship team will give out \$110,500!!

The welfare committee is estimated on giving out over \$276,000 for the 2015-2016 year! All of these dollars have helped thousands of folks throughout the Stuttgart Military community!

Total amount given back to the Stuttgart Military Community for the 2015-2016 year is estimated at over \$387,000! This is a stunning and beautiful number. I am blown away by all of your selfless volunteer hours.

Finally, I thank the entire Governing Board for the 2015-2016 SCSC year. Each and every person brought something distinctive and special to make this SCSC year shine. They were exceptional and they have my gratitude and love. I will miss you all but it is not goodbye but see you soon.

Sincerely,
Terry Nelson

SCSC Thrift Shop

Greetings from the SCSC Patch Thrift Shop!

Focus on OUR MANAGEMENT!

Our Thrift Shop is blessed beyond belief to have Michaela Ratcliff (Mickey) steering the ship! To share with you from her bio....

Michaela Ratcliff is the manager of the Stuttgart Community Spouses' Club (SCSC) Patch Thrift Shop. Under her leadership, the SCSC Patch Thrift Shop is slated to raise \$250,000 this fiscal year. She holds a German degree in social work, a Bachelor of Science in Psychology and Computer Information Systems, and a Master of Education in Organizational Leadership. Michaela has worked in leadership positions throughout her professional life. She is dedicated to helping individuals of all ages and backgrounds explore and grow their capabilities, talents, and connections.

What her bio doesn't tell you is that everyone who comes in contact with her walks away a better person! She truly believes in "building the team" and encouraging each person she meets to be their best "self". Mickey was nominated for and received the AFN Superstar of the Month from AFN radio in March. It was well deserved.

Michaela has been asked to present at the Americans Working Around the Globe Conference (AWAG) in Garmisch May 1-7. Our thrift shop team will be joining her and we are asking for your full support of this endeavor. During that time we will not accept any donations. We are more than happy to accept your donations up until the 29th of April and then again after the 8th of May. Please share this information with your friends and neighbors.

Mickey, thank you for your incredible leadership, commitment to our community, and clear vision for what our organization needs. We love, admire and respect you!

Welfare Grants and Scholarships

For 2015-2016, the SCSC has awarded over \$270,000 in Welfare grants to military, athletic, recreational and charitable organizations in the USAG Stuttgart community.

Scholarships and Welfare grants are made possible through funding from the SCSC Thrift Store and Spring Bazaar.

The grant year has now ended. The next due date will be August 15, 2016. The 2016-2017 Welfare application (which contains application due dates) will be available online later this summer.

It can be found at www.stuttgartspousesclub.org/welfare.html or by emailing scsc.welfare@gmail.com.

SCSC Scholarship

The SCSC Scholarship committee has completed their scoring of the 2016 scholarship applications they received. The recipients of the scholarships have been notified and a ceremony will be held on May 22nd at Stuttgart High School to present the awards.

Special Interest Groups

Special Interest Groups have enjoyed a diverse year of activities such as cooking, knitting, wine pairing, and dog walking to name a few. Members had something different to look forward to each month thanks to our SIG Coordinators; Kristin DeLuca, Trish Duncan, Tracey Makela, Kris Morris, Penny Rower, Jacquie Waskiewicz, and Valerie Westerholm. Some even served as coordinators for two separate groups and deserve an extra special thanks! SIG Coordinators rock!!!

With several coordinators moving and summer approaching, most SIG's will be on hiatus until September. SIG activities normally resume after the SCSC Welcome Event in the Fall. Please consider volunteering to coordinate a group; you can choose from an established group or establish one if you have an idea. That's the fun of coordinating, you make the call! Join the SIG team by contacting Kathy Argo, SCSC SIG Chair scsc.specialinterest@gmail.com.

SCSC Special Interest Groups are only open to current SCSC members. Please make sure your membership is active in order to participate with these groups. You may join SCSC online by visiting the Membership Page.

From the Second Vice

As we wrap up this SCSC year, I'd like to take a moment to thank my wonderful committees, their chairs and advisors.

Thrift Shop continues to amaze me with all their great ideas and innovative ways to display and advertise, as well as recognizing their volunteers and employees for jobs well done. I look forward to seeing what Mickey, her crew and the new thrift shop chair will bring to us next year. Laura Davis, you have been a gem to work with. I'm glad you are staying with the community. Shawn Dalton, thank you for being a voice of reason and advocate for the thrift shop.

Welfare wraps things up with its final grant requests this month (already awarded \$237K to date!). Tom Turnbull, Priscilla Maxwell and Tom's committee have read and reviewed many grant requests. I admire their compassion, their professionalism and their team effort to help make this a successful year and spread happiness around the community. We thank them as well for going the extra mile in December with the second annual Acts of Kindness grants.

Our scholarship year will culminate with the awards ceremony next month, awarding \$110,500 to students in four categories. Elizabeth Bone, Carole Dial, and their committee have worked tirelessly reading, reviewing, scoring and ranking each applicant to determine where the money will go. We are proud to say that we had more spouse applicants than ever as well as a first time scholarship offered in a new category. Well done! Join us on May 22nd, 3pm at the HS if you would like to help celebrate the awardees.

Jennie Baumbach, Gina Allvin and bazaar committee...what can I say that hasn't already been said? You did a phenomenal job with excellent results. More importantly, evidenced by many of the committee chairs returning to help next year, you had a happy committee! I am grateful to have Jennie return next year as bazaar chair. Her humor is inspiring.

Lastly, but not less importantly, we stood up a new committee this year-barracks cheer. Jen Cunningham was an eager volunteer out of the gate and she never slowed. She was pretty much a 'one man band' organizing these events. Her compassion showed at every level. Dozens of people (spouses and children) stepped forward to help execute each event. Much happiness was brought to our single soldiers, sailors, airmen and Marines during the holidays and through out the year, thanks to her efforts. These acts show us that a little can go a long way in this community. Jen will be returning next year to continue this position.

I have been honored to serve this community as the SCSC second vice and to have been given the opportunity to work with and learn from such an amazing group of people. It never ceases to amaze me how much a group of passionate volunteers can accomplish!

I look forward to serving you for another year as second vice.

Sharon Bolduc

But You Already Knew That...

An open letter to the Spouses of the Members of the SCSC - that's you, Gentlemen!

For the past year, I have had the distinct honor, privilege and fun to work and play alongside your spouses - the members of the Stuttgart Community Spouses' Club (SCSC). It has really been a great experience, and my only regret is that I did not get involved with the SCSC sooner.

I know that many of you think this is just a club where the ladies get together to socialize and have a good time. Well, there is plenty of that going on - and, yes, they DO know how to have a good time.

They love to shop; they love their wines; and they love their food.

They love their Italian Proseccos, French Champagnes, Spanish Cavas and Deutscher Sekt - and they can tell you the difference between each one.

And, they have an almost mystical relationship with anything chocolate and can smell Polish pottery a mile away.

But You Already Knew That...

But, there is so much more to the SCSC....

They raise kids, raise money like no one's business, raise awareness for a worthy cause, and, yes, sometimes, raise hell.

They can plan, organize, and execute events with the precision that would put some military operations to shame.

They can pack and unpack a household at the drop of a hat, and turn four walls into a home.

They will stand by you, with you, for you, and, yes, sometimes, even in front of you.

They can tell you the shortest and cheapest way to get from point A to point B anywhere in Europe - and most of them have visited those points.

They can tell you how it was, how it is, and how it should be, without hurting your feelings.

But You Already Knew That...

And, yet, there is still so much more...

They are kind, friendly, warm, welcoming, astute, understanding, sympathetic, empathetic, fiercely loyal, forgiving, and yet, strong.

They can enter a room filled with complete strangers, and leave in an hour, having made life-long friends.

They are...truly awesome!

But You Already Knew That...

But...sometimes it is nice to let THEM know that YOU know all of the things they do for you, your family and the greater Stuttgart community.

Take a few minutes to thank them for THEIR service.

Tom Turnbull
Proud Member of the SCSC

Have FUN with the Barracks Cheer Committee!

The Barracks Cheer Committee has almost one full year under our belt! WOO HOO!!!!

We started the committee last fall in an effort to show our single and unaccompanied military personnel living on garrison that we do care about them and are glad they are part of our little Stuttgart family. We delivered cookies at Christmas, candy goodie bags at Valentine's Day and are now in the process of decorating the barracks for Military Appreciation Month.

We hope to have four initiatives every year, starting in late fall / summer. If your school, neighborhood or organization *would like to adopt a barracks*, please let us know as soon as possible. It is a great way for students and military personnel to get in needed volunteer hours!

In addition to our quarterly initiatives, we are rotating bases each month where we give away gift cards. We were also able to give away donated Girl Scout Cookies last month. If you are part of a company or organization that has items to share with the single or unaccompanied military personnel, please let us know. We will be more than happy to pass them out on your behalf.

Help the Barracks Cheer Committee show our community how much we care about them. You would be surprised what a difference you could make to someone else And what a difference this can make in your life!

If you want to get involved, or are just curious as to why we are having SO MUCH FUN, contact us by email at scsc.barracks@gmail.com or by phone at **0151.5947.5092**.

Volunter Appreciation

SCSC wishes to thank each and every person who volunteered to make the Club so successful this year! Whether you donated 1 hour, or 100 hours, your contributions are appreciated! Below are just some of the many volunteers who have been a part of the SCSC success this year! We try our best to note them all, but we are sure there are some not listed here....but know each and every volunteer hour is appreciated!

Presentation of Awards at Crystal Bingo

Recognizing that it is the VOLUNTEERS who make our club so successful in both halves of our mission, our 2015-16 board has taken great efforts to document volunteer service so that it may be recognized. As part of that commitment to our volunteers, we have designed a program to recognize those efforts. Everyone who volunteered 15 hours to the SCSC this year, or who served on a year-long committee, received a certificate at check in. THANK YOU for your efforts!

We are also able to nominate exceptional volunteers for recognition at the Garrison level for their work with the SCSC and the Stuttgart Military Community. These awards are meant to honor a volunteer's cumulative efforts, and nominations are, therefore, for those who have finished their service with our club/area and will be moving on....most of them PCSing this summer. We are honored to present the following awards tonight:

The USAG Stuttgart Certificate of Appreciation recognizes volunteer service by private citizens and is awarded by the Garrison as a certificate.

- Certificate of Appreciation - Laura Davis**
- Certificate of Appreciation - Debbie Ford**
- Certificate of Appreciation - Jennifer Kearny**
- Certificate of Appreciation - Sherrie Resch**
- Certificate of Appreciation - Lisa Tuchtenhagen**

The Certificate of Appreciation for Patriotic Civilian Service recognizes patriotic civilian service that contributes to the mission of an Army activity, command, or staff agency, or to the welfare of Army personnel. The award consists of a lapel button and certificate.
